DOCUMENT RESUME

ED 043 759 VT 011 780

AUTHOR	Smith, Brandon B.
TITLE	Selected Bibliography: Identifying, Measuring and Utilizing Societal Information for Vocational-Technical Education Curriculum Development.
INSTITUTION	Wisconsin Univ., Madison.
PUB DATE	13 Nov 68
NOTE	7p.; Presented at a North Central Regional Conference of RCU Directors
EDRS PRICE	EDRS Price MF-$0.25 HC-$0.45
DESCRIPTORS	*Bibliographies, *Curriculum Development, Educational Needs, *Educational Research, Measurement, Rehabilitation, Resource Materials, *Social Studies, Technical Education, *Vocational Education

ABSTRACT

This bibliography presents 72 citations ranging in date from 1958 to 1968 and includes periodical articles, university publications, and research reports. Listings are arranged by author in three groups which are: (1) Sociological and Psychological Foundations for Identifying Sources and Types of Societal Information, (2) Methodologies for Vocational Education Curriculum Development: Implications for Different Social and Philosophic Foundations, and (3) Measures of Psycho-Social Needs, Satisfactions and Satisfactoriness: Vocational Rehabilitation. Individual entries include author, title, publisher, and date. This bibliography should be of interest to curriculum specialists and program directors. (JS)
